Dear Simonds' Preschool Parents,

We have been notified of a COVID-19 case of an individual who last worked at the pre-school room at Simonds Elementary on January 21, 2021. The student(s) and staff member(s) exposed to this individual have been notified and will receive a separate letter providing specific guidance. This communication is for your awareness and you do not have restrictions according to the Oakland County Health Department.

COVID-19 is a contagious viral illness that spreads in the air through coughing, sneezing, and talking. Recent information suggests COVID-19 is spread by people who are not showing symptoms. It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it, then touching their own mouth, nose, or possibly their eyes. Symptoms include fever, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.

For additional information regarding COVID-19, please visit the OCHD website at <https://www.oakgov.com/health>. If you have any questions, please feel free to contact Mrs. Figurski at (248) 589-3753 or Greg Fuller at (248) 589-1990.

Sincerely,

Jan Figurski
