November 6, 2020

Early Childhood Center,

We have been notified of a COVID-19 case of an individual who attended the Lamphere Early Childhood Center on November 4, 2020. The individual became symptomatic at school and after having contact with others. The results of the PCR test for COVID-19 revealed that this person was in fact positive for COVID-19. Those that have been identified as being in close contact with this positive case have been contacted and will receive separate correspondence and specific guidance. This communication is for your awareness and you do not have restrictions according to the Oakland County Health Department.

**The Early Childhood Center will be closed for two days. On November 9 and 10 the ECC will be closed for cleaning. The closure may extend beyond this timeframe and we will update you next week on an expected reopening date.**

COVID-19 is a contagious viral illness that spreads in the air through coughing, sneezing, and talking. Recent information suggests COVID-19 is spread by people who are not showing symptoms. It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it, then touching their own mouth, nose, or possibly their eyes. Symptoms include fever, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.

For additional information regarding COVID-19, please visit the OCHD website at <https://www.oakgov.com/health>. If you have any questions, please feel free to contact Jan Figurski or Greg Fuller at (248) 589-3753.

Sincerely,

Jan Figurski – Early Childhood Center &  
The Lamphere Schools Central Office Administration
