October 13, 2020

Dear Simonds School Community,

We have been notified of a COVID-19 case that attended Simonds Elementary on October 12th, 2020. The student(s) and staff member(s) exposed to this individual have been notified and received a separate letter providing specific guidance. COVID-19 is a contagious viral illness that spreads in the air through coughing, sneezing, and talking. Recent information suggests COVID-19 is spread by people who are not showing symptoms. It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it, then touching their own mouth, nose, or possibly their eyes. Symptoms include fever, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.

For additional information regarding COVID-19, please visit the OCHD website at <https://www.oakgov.com/health>. If you have any questions, please feel free to contact Mrs. Creamer at (248) 547-5292 or Greg Fuller at (248) 589-1990.

Sincerely,

The Lamphere Schools Central Office Administration
