October 22, 2020

Dear Lamphere Transportation and Maintenance Department,

We have been notified of a COVID-19 case of an individual who attended the Transportation and Maintenance Department on October 15, 2020. The staff member(s) deemed to be a close contact (6 feet or less for 15 minutes or longer with or without a mask) to this individual have been notified and will receive a separate letter providing specific guidance. This communication is for your awareness and you do not have restrictions according to the Oakland County Health Department.

COVID-19 is a contagious viral illness that spreads in the air through coughing, sneezing, and talking. Recent information suggests COVID-19 is spread by people who are not showing symptoms. It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it, then touching their own mouth, nose, or possibly their eyes. Symptoms include fever, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.

For additional information regarding COVID-19, please visit the OCHD website at <https://www.oakgov.com/health>. If you have any questions, please feel free to contact Joe Raona or Greg Fuller at (248) 589-1990.

Sincerely,

Joe Raona  
Director of Maintenance and Operations &  
The Lamphere Schools Central Office Administration
